Ability to analyze and define complex organizational, policy or procedural problems, collect and evaluate data, draw valid conclusions and project consequences of various alternative courses of action.

Demonstrated ability to learn, interpret, comprehend, apply and communicate policies, manuals, crisis and emergency response protocol and other written information to effectively perform responsibilities.

Demonstrated ability to maintain a high degree of confidentiality with a thorough understanding of confidentiality laws, due process and the community standards process.

Ability to establish and maintain effective working relationships and communications within a diverse population, strong listening and interpretive skills, and the ability to deal positively with unexpected developments and diverse perspectives in and outside the University.

Ability to carry out very complex assignments without detailed instructions.

Demonstrated ability to use tact and diplomacy to effectively handle a broad range of high level and sensitive interpersonal situations with diverse personalities, and to respond appropriately to conflicts and problems.

Excellent communication skills; ability to effectively communicate information in a clear and understandable manner, both verbally and in writing and to speak publicly in large groups.

Ability to maintain high quality/standards of work, ethics, commitment, and professional responsibility.

Thorough knowledge of English grammar, spelling and punctuation.

Excellent organizational and time management skills with the ability to set own priorities to coordinate multiple assignments with fluctuating and time-sensitive deadlines.

Working knowledge of various software applications to include word processing, presentations, spreadsheets, and databases.

General knowledge of University and Residential Student Experience procedures and practices related to student services and program.

**Preferred Qualifications:**

Master’s Degree in Education or related field.

Four years of progressive full-time residence life experience post-master’s degree.

Experience supervising professional staff members.

Demonstrated skills in an institutional/educational environment utilizing a customer-oriented and service-centered attitude.

Demonstrated knowledge or previous experience working with residential curriculum and RLC based housing.
**Special Conditions:**

Must be willing to travel for staff recruitment and attend training programs off-site for occasional professional development.

Must be able to work overtime, occasional holidays, and adjust working hours to meet special jobs. May be called back periodically to perform work as needed on an emergency basis.
