Sonoma State University is committed to achieving excellence through teaching, scholarship, learning and inclusion. In line with our Strategic Plan and our Seawolf Commitment, our values include diversity, equity, sustainability, community engagement, respect, responsibility, excellence and integrity. We strive to cultivate a community in which a diverse population can learn and work in an atmosphere of civility and respect. We encourage innovation, experimentation and creativity, as well as contributions to equity and inclusion, in the pursuit of excellence for all members of our university community.

**Position Purpose:** Reporting to the Executive Director (ED), the Art Technician provides comprehensive instructional, equipment and process support for all of the Arts disciplines. The Art Technician supports students and faculty in their undergraduate, individual projects and scholarship activities to provide materials and equipment as well as ongoing instructional support. This support includes providing continuous 24-hour a day services for special equipment, hazardous materials and studio access as requested.

**Major Duties:** Major duties of the position include, but are not limited to, the following:

- Maintain and repair equipment and may manufacture parts or build new equipment; responsible for maintenance and repair of kilns, furnaces, metal and wood shop equipment, photo enlargers, printing presses and all other equipment as needed.
- Plan and develop systems for purchasing and dispensing materials, protective equipment and supplies.
- Support purchasing, sales, and vendor relationships for the student store and maintain inventory via online store. Ensure proper procurement method is used for each purchase based on university standards and requirements.
- Seek resources for gathering and buying unique materials and equipment; and develop schedules for minimizing down time for equipment.
- Work with faculty to assist in the development of new instructional offerings dependent on supplies, equipment, and materials support; solves problems related to material substitutions, costs or new equipment; and at times the use of a respirator may be necessary in existing duties.
- Oversee photo equipment check-out process, establishes policy and procedures to ensure safe return of equipment.
- Assist faculty and students in preparation of new classroom demonstrations and laboratory equipment. Work closely with faculty in classroom on techniques in welding, wood shop, and other areas.
- Provide instructional support to student assistants working in the tool crib, photo crib, ceramics studio, and print studio.
- Prepare, deliver and recover other designated solutions, media, etc., requested by faculty and staff for instructional support.
- Provide minor technical support to computers and systems.
- Provide and coordinate instructionally related support services to students and faculty to meet a comprehensive variety of needs.
- Oversee and manage faculty/student use of department space.
- Conduct and coordinate an end-of-semester inventory of classroom materials, equipment and supplies. Set-up equipment, adapts equipment for use with lab manuals, and performs calibrations and routine maintenance.
- Serve as the property officer equipment inventory.
- Work with Facilities to identify areas of needing maintenance.
- Provide tours to prospective students and other visitors.
- In coordination with Advancement, documents in-kind donations.
- Support social media activities and efforts.
- Serve as building marshal or backup during leaves or absences.
- Responsible for the operation of forklift and other rental vehicles.
- Provide coverage 24-hours a day, weekdays and weekends for special equipment, hazardous materials, chemicals, and studio access, as requested.
- Provide support to the School of Art and Media and collaborates with departments across campus on projects as needed.

**Safety Responsibilities**
Follow state-mandated policies and procedures to ensure proper and safe use of equipment and materials handling, including MSDS binders.

Responsible for reporting any existing or potential safety issues to Environmental Health and Safety (EH&S) and Facility Management, works directly with EH&S to problem solve health and safety issues within the Arts.
